Wash Your Hands frequently. Washing your hands is one of the best ways to reduce the spread of disease. When you arrive at an arts and culture event or venue, hand sanitizing stations will be located at entry and exit points and throughout the space.

Use Mobile Programs and Ticketing

Please use your smartphone to manage tickets, playbills, brochures, and other paper items. To reduce the number of items that are passed from person to person, we are minimizing items printed on paper.
